RE: RECOMMENDATION FOR BERNARD PETER MUSAU (REG. NO. 1032285)

Dear Sir/Madam,

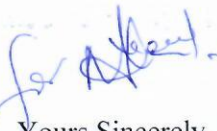

I am pleased to write this letter in recommendation of **Bernard Peter Musau**, Registration Number **1032285**, who pursued a **Bachelor of Science in Computer Science** at the **Catholic University of Eastern Africa**.

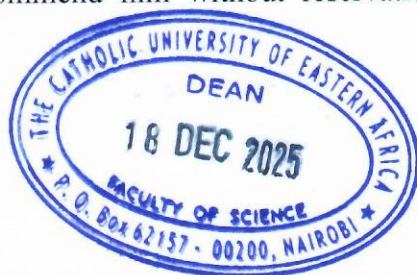

Bernard successfully completed all his coursework requirements. Unfortunately, he was unable to graduate due to financial constraints. Despite this challenge, he remained committed, disciplined, and focused throughout his academic journey.

During the period I interacted with Bernard in my capacity as **Dean of the Faculty**, I came to know him as a **hardworking, respectful, and determined gentleman**. He consistently demonstrated strong problem-solving skills, a positive attitude toward learning, and a high level of integrity. His dedication and resilience clearly reflect his great potential.

I am confident that Bernard will be a **valuable asset to your organization**. He possesses the technical knowledge, work ethic, and personal character necessary to contribute positively and grow professionally in any working environment.

I therefore recommend him without reservation and wish him every success in his future endeavors.

Yours Sincerely,

Dr. Mary Wainaina
Dean Faculty of Science
