

Bernard Peter Musau

Junior Software Developer

Nairobi, Kenya · +254 769 595 400 · petermusau28@gmail.com

PROFILE

Recent **Computer Science graduate** with a strong foundation in **software development, web technologies, and databases**. Passionate about building scalable, user-focused applications using modern JavaScript frameworks and backend technologies. Quick learner with a strong problem-solving mindset and hands-on experience through academic and personal projects. Seeking an entry-level software development role to grow professionally while delivering real business value.

TECHNICAL SKILLS

- **Languages:** JavaScript, Python
 - **Frontend:** Vue 3 (Composition API), HTML5, CSS3
 - **Backend:** Django, Node.js (basic)
 - **Databases:** MongoDB, MySQL
 - **Tools & Concepts:** Git, REST APIs, MVC Architecture, Problem Solving
-

EDUCATION

Bachelor of Science in Computer Science

Catholic University of Eastern Africa (CUEA)

Graduated: **October 2025**

Relevant Coursework: - Data Structures & Algorithms - Database Systems - Software Engineering - Computer Systems - Web Application Development

PROJECT EXPERIENCE

Web-Based Application Projects (Academic & Personal)

- Designed and developed full-stack web applications using **Vue 3 and Django**, implementing RESTful APIs for data exchange
- Built responsive user interfaces following modern UI/UX principles

- Implemented authentication, CRUD operations, and database integration using **MongoDB and MySQL**
 - Applied version control using **Git** for collaborative and individual development
 - Debugged and optimized application performance through systematic testing
-

CORE COMPETENCIES

- Strong analytical and problem-solving skills
 - Ability to learn new technologies quickly
 - Clear written and verbal communication
 - Team collaboration and ability to follow technical specifications
 - High attention to detail and code quality
-

CAREER OBJECTIVE

To secure a **Junior Software Developer / Graduate Trainee** position where I can apply my technical skills, gain real-world experience, and grow into a well-rounded software engineer contributing to impactful solutions.
